❈ Career Objective

TCS NQT qualified Computer Science postgraduate with strong problem-solving, analytical, and programming skills. Hands-on experience in Machine Learning, Data Analysis, Power BI, and Frontend Web Development through academic and industry-focused projects. Actively seeking entry-level Software Developer, Data Analyst, or IT roles where I can apply my technical knowledge, grow professionally, and contribute to data-driven solutions.

🎓 Education

M.Sc. in Computer Science — Sidho-Kanho-Birsha University, 2023
Score: 83.75%

B.Sc. in Computer Science — MANBHUM MAHAVIDHYALAYA, Manbazar, 2021
Score: 88.7%

TCS National Qualifier Test (NQT-2026) – 71.36%

Foundation Section: 70.97% | **Advance Section:** 76.19% | **Programming Section:** 67.70%

💼 Work Experience

Intern/Project Trainee — ABS Academy…., Durgapur
March 2025 – Working Till Now

- Worked on academic and industry-focused IT projects as well as Networking

- Applied concepts of CST and data analysis

📟 Projects

🧠 House Price Prediction (Machine Learning)
- Built using Python and Scikit-learn to predict housing prices
- Performed data cleaning, feature engineering, and model evaluation
- GitHub: https://github.com/Darpan2000-web/House_Price_Prediction_Project

📊 Data Analysis Projects
- Worked on multiple datasets using Pandas, NumPy, Power BI
- Git-Hub: https://github.com/Darpan2000-web?tab=repositories

🌐 Frontend Web Development
- Developed **Amazon** and **Netflix** UI clones using HTML, CSS, JavaScript
- Focused on responsiveness and design accuracy
- Git-Hub: https://github.com/Darpan2000-web/webpage_clone

🔧 Technical Skills

- **Languages**: Python, HTML, CSS, JavaScript
- **Tools**: Pandas, NumPy, Matplotlib, Seaborn, Scikit-learn
- **BI & Visualization**: Power BI
- **Version Control**: Git, GitHub
- **Databases**: MySQL (Basics)
- **Others**: Jupyter Notebook, Google Colab, VS Code

🏆 Certifications
- **Diploma in IT** – 2019(12 Months)
- **Mathematics in Deep Learning** – 2025
- **Data Analysis using Python** – 2025

💬 Soft Skills
- Able to manage time according to workload
- Dedicated to completing tasks within deadlines
- Strong focus on quality and responsibility
- Quick learner and team collaborator
